Since 1967, NRI Staffing Resources has been the trusted staffing partner for public agencies, healthcare systems, and mission-driven organizations throughout the District of Columbia, Maryland, Virginia & other states. As a locally owned, Minority Business Enterprise, NRI delivers compliant, cleared, and credentialed talent with speed, transparency, and service excellence. NRI has evolved from a boutique administrative placement firm to a multi-disciplinary workforce solutions provider supporting government and commercial clients across healthcare, professional, IT, and administrative domains.

Let's team up—NRI delivers people solutions that drive performance.

OUR APPROACH

PAST PERFORMANCE

NRI operates as a strategic workforce partner, not a transactional vendor.

Our consultative model emphasizes collaboration, responsiveness, and measurable performance:

- Tailored recruitment aligned with client goals and compliance standards.
- A single point of contact to manage sourcing, screening, placement, and retention.
- Rapid deployment from a pre-vetted talent network across the DMV region.

- High-volume clinical staffing for state and regional hospitals and outpatient centers.
- Administrative and customer service teams for federal, state and municipal contact centers.
- HR, finance, and case-management staffing for public health and education agencies.
- Ongoing workforce support for federal and local prime contractors.
